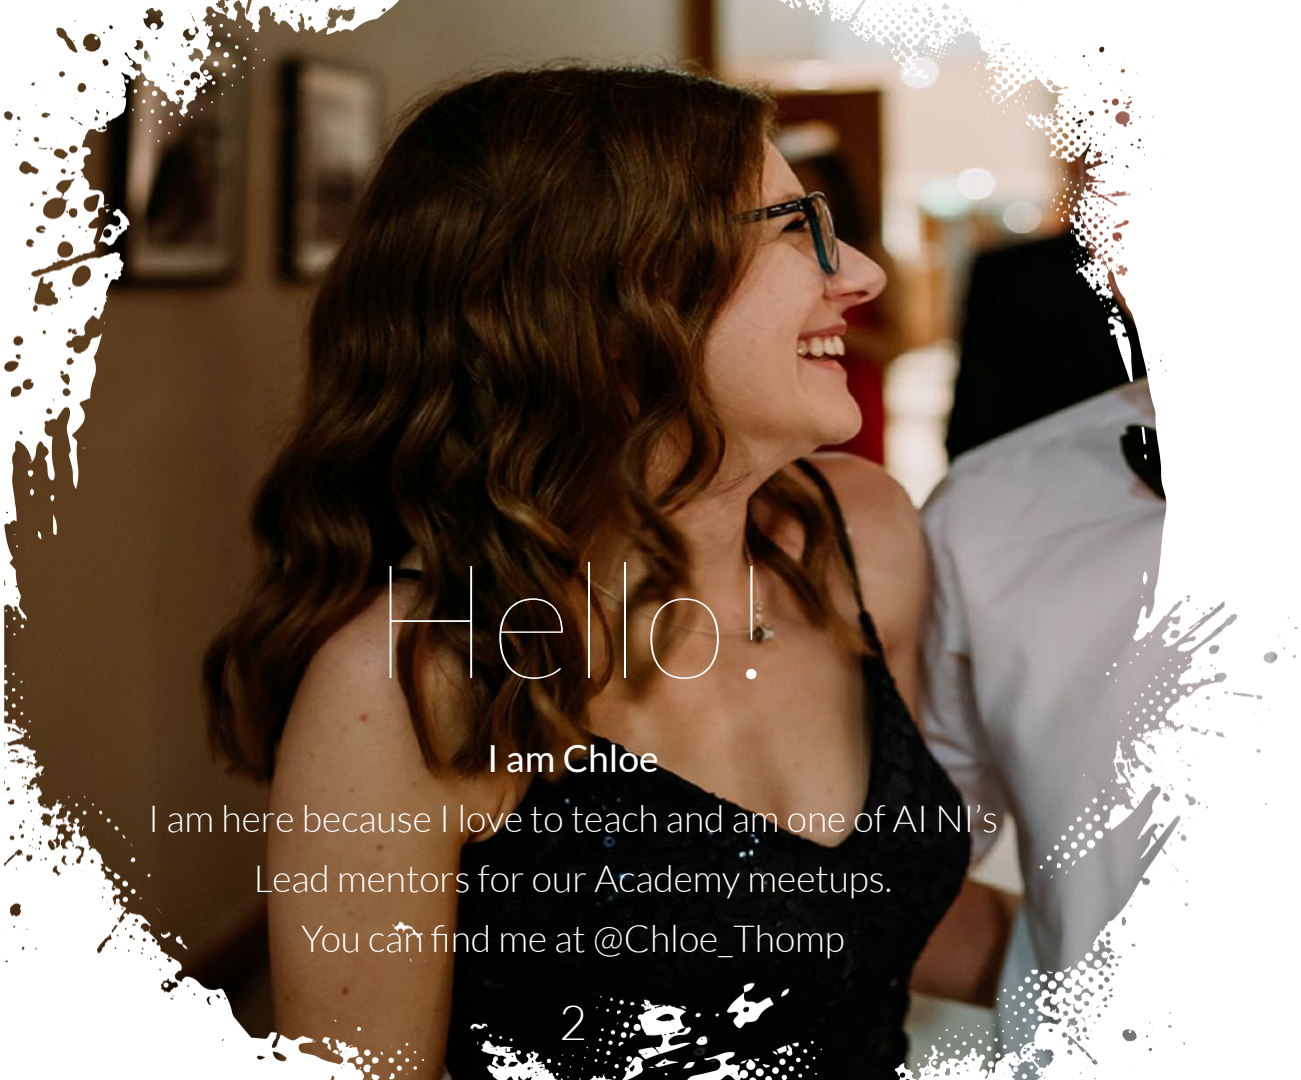
Introduction to Data Science and KNN



Hello!

I am Chloe

I am here because I love to teach and am one of AI NI's Lead mentors for our Academy meetups.

You can find me at @Chloe_Thomp

Hello!

I am Jake

I am here because SOMETHING and am one of AI NI's Lead mentors for our Academy meetups.

You can find me at @JakeYoung2410

1.

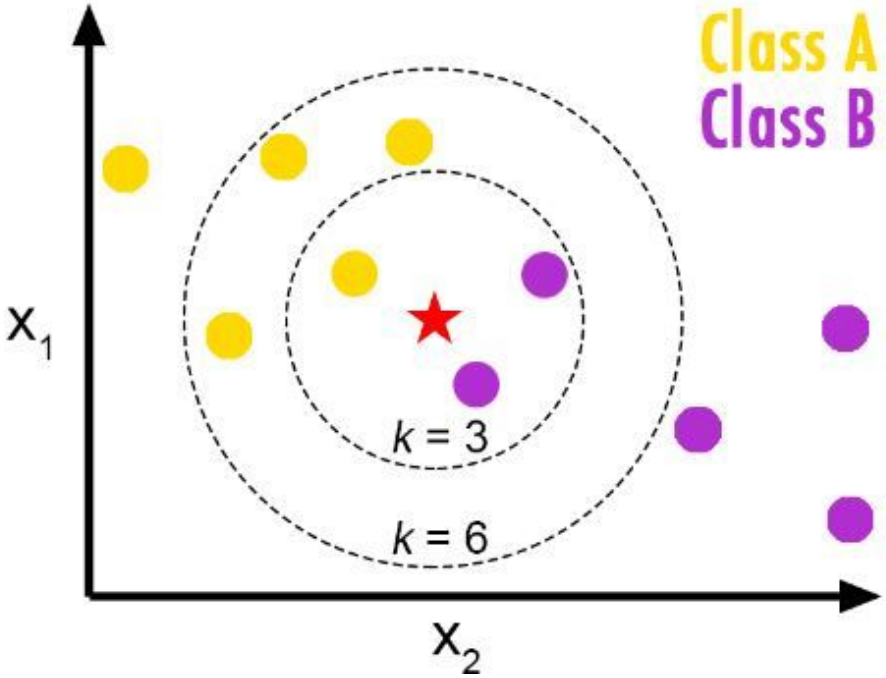
So what is KNN

"KNN is a non-parametric, lazy learning algorithm"

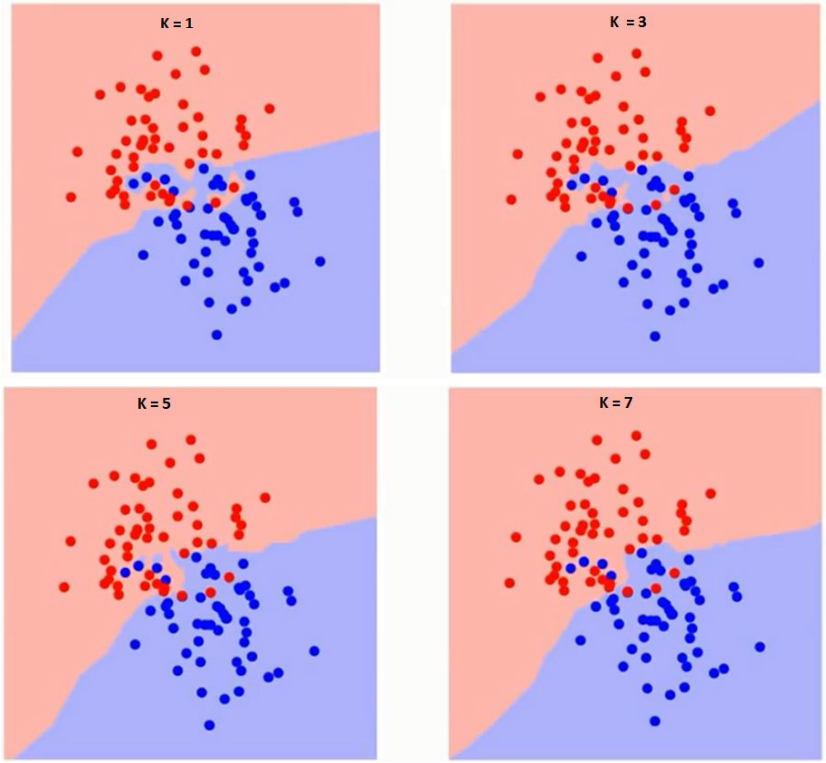
No..but what is it?

- Non-parametric
- Lazy
- It is purely based on feature similarity

So what does it look like?



The difference in K



Blast Off

That was an awful joke about getting stuck into code……let's all just move on…..

Thanks!
